

REMARKS

Claims 1, 5-9; 12, 13 and 16 have been rejected under 35 USC 112, second paragraph, since Z has too many bonds attached to it and that Claim 12 is a duplicate of Claim 8. Claims 1 and 12 have been amended to correct these claims. Accordingly, this ground of rejection should be withdrawn.

Claim 1, lines 6 and 15 have been amended to replace "can be" with "is" or "are" in accordance with the Examiner's suggestion.

In view of the above, it is submitted that the pending claims define patentable subject matter.

Respectfully submitted,

By
